<p>Shamrock Civil Engineering Pty Ltd</p>	<p>Prime contractor, subcontractor, or direct for Defence depending on the service required</p>	<p>Civil works and services</p>	<p>Shamrock Civil Engineering would propose that the civil works activities at bases and training areas be aligned to a single contractor model. Our preferred arrangement would be to have the PDS contractors manage all civil works (eg road repairs and maintenance) rather than having this via both EMOS and PDS contractors as currently provided. Our experience shows that the PDS contractors are more experienced and competent in the management and delivery of civil works operations.</p>	<p>Brendan Kealy Owner/Director <a href="mailto:brendankealy@shamrockcivil.com.au">brendankealy@shamrockcivil.com.au</a> M: 0431 688 931</p>
