G'day Sir

FE-A has requested some informal SSE training be conducted on Friday. Would it be possible for s47E(d) to come up and impart some of his knowledge about the collection of fingerprints, best types of surfaces, EKIA printing etc, not only for Afghanistan, but also s33(a)(ii) [redacted]. They were hoping to conduct it on Friday afternoon at 1330; I am able to provide all the equipment, it just would be great to have his knowledge.

I would have CC'd him on this email, but wasn't sure of his details.

Thanks in advance for your assistance.

s47E(d)
