

**CHANGE LOG**  
**ASDEFCON (STRATEGIC MATERIEL)**  
**Version 5.3**

**General Changes**

Changes introduced in ASDEFCON (Strategic Materiel) V5.3 include:

- the introduction of skills guarantee
- the introduction of environment and sustainability policy
- changes to the ethical behaviours provisions and addition of Supplier Code of Conduct core clause
- the introduction of system security requirements covering physical security, Emanation Security (EMSEC), ICT security, and cyber security.

There were a number of minor updates, including references for updated Defence policies, Defence web-links, and for consistency with other templates.
