Morning s47E(d)

I was away on Friday but understand the IGADF has sent the brief requesting approval to conduct the IGADF twenty-year review to the DPM's office.

OSEC/OCDF should have been cc'd on the PDR, sorry I couldn't give you a heads up before it was sent.

Thanks,  
s47E(d)

Hello s47E(d)

Thank you for speaking with me earlier today.

As discussed, the Hon Duncan Kerr SC has been meeting with various stakeholders as part of the 20 year review into the office of the IGADF. One has suggested the Review seek more information on Enterprise Initiative 5 and any relevant COSC considerations.

I understand Enterprise Initiative 5 concerned options for inquiry and investigation of serious operational incidents. I ask that you confirm whether this information may be provided to the Review, and if so, provide the relevant documents to me for the Review.

Kind regards

Rose
