

CSMP-WA 2013/2: Contract for the Provision of Twin Cells, associated Ancillary Sub-systems and Services for the Collins Class Submarines' Main Storage Battery System

Public AIC Plan

Company Details

PMB Defence Pty Ltd
715 Mersey Road North
OSBORNE, SA 5017
www.pmbdefence.com.au

EXECUTIVE SUMMARY

PMB is contracted to the Commonwealth of Australia to provide Main Storage Batteries (MSB) and ancillaries for the Collins Class submarines. This contract est. at \$136M (with approximately \$122M in work undertaken by Australian industry) to June 2028 requires the procurement of materials and components for manufacturing activities performed by PMB and various support services. PMB has a mature supply chain and is committed to providing Australian companies the opportunity to bid for work under this contract, provided quality, schedule performance and value for money can be guaranteed.

A snapshot of existing SME's providing goods and services to PMB includes:

Name	Product / Service	Location
Century Products	Machined / welded parts	SA
Freudenberg	Rubber components	NSW
Dotmar	Plastic components	SA
Consolidated Alloys	Lead alloys	VIC
Redox	Chemicals	SA
Colan Products	Woven Roving	NSW
Veolia	Waste Management	SA
Inskip	Ventilation & Extraction	SA
Vacmould	Plastic components	VIC
Alsco	PPE and laundry	SA
A1 Anco	Machining services	SA
Axiom	Fibre glass machining	SA
United Fasteners	Fasteners	SA
Blackwood's	Hardware, PPE	SA
Allnex	Resins	SA

SCOPE OF WORK OPPORTUNITIES

Goods and services for current and future opportunities include:

Welding (Cu)	Battery Separators
Machining (Cu, Fe, GRP, PVC)	Expanded copper grids
Testing & Calibration Services	Waste Management / Disposal
Battery Rubber Liners	Electrical components (chargers)
Battery Gauntlets	Compressor / Pump refurbishment
Materials (Pb, Cu-OF, PVC)	Plastic extrusions / blow molding

It is expected that the majority of these goods and services are to be provided to PMB's Osborne facility in South Australia.

FUTURE OPPORTUNITIES / INDUSTRY ENGAGEMENT

To register interest for supply opportunities email enquiries@pmbdefence.com.au adding "AIC" in the subject title box, or contact reception on (08) 7077 5500 during normal business hours. Additional information can be found on the company website www.pmbdefence.com.au

PMB is a member of the Industry Capability Network (ICN) and uses this service to test the market place for niche SME's that may have capabilities relative to this contract.

PMB is also a member of the Defence Teaming Centre and attends numerous functions to network with local defence industry supply chain peers.
