Executive Summary

The Commonwealth of Australia represented by the Department of Defence (Defence) remains committed to modernising the entire approach to the Australian Defence Force (ADF) Recruiting System, from attraction, through to the point of Enlistment or Appointment.

It is critical that Defence can sustainably surge the rate of recruiting and manage applicants into and through the ADF Recruiting System without delay, and without compromising the candidate experience or Defence values of service, courage, respect, integrity, and excellence.

Adecco has been contracted as the Capability Partner for the Recruiting Services Contract 2022 as of 1 November 2022 for an initial term of 6 years from Operative Date with a maximum term of 10 years from Operative Date.

The Services include end-to-end recruitment of ADF personnel from attraction through to the point of Enlistment or Appointment, including but not limited to:

- (a) providing strategic level recruitment information, analysis, guidance, and advice.
- (b) candidate attraction, sourcing, selection, deployment, and overall candidate experience.
- (c) screening of candidates, including performing psychometric, psychological, and medical assessments.
- (d) human resources and training.
- (e) information communication and technology support for the Services.
- (f) business intelligence and data management for the Services; and
- (g) management of facilities and assets associated with the Services.

The overall value of Defence Force Recruiting Services Contract 2022 is AUD\$1,286,098,000.00

Key Offerings for Australian Industry

Adecco is committed to establishing and maintaining an in-country capability for the end-to-end recruitment activities for the ADF. Future opportunities may arise in the areas of:

Category	Area	Description	Likely timing
Capital Works	Design and Constructions	Adecco/DFR will need to undertake the following design and construct activities for ADFCCs: <i>ADFCC Refresh</i> <i>Satellite Design and Construction</i>	Next 24 months
Apparel	Staff Uniforms	Staff uniforms for candidate facing staff .	Next 12 months
Miscellaneous	Catering, maintenance, assets, equipment, office amenities	As requirements determined on a case by case and procured from relevant location	Current and ongoing

In addition to the above, future opportunities may arise through capability gaps assessments and through continuous improvement activities. Given the capabilities of Adecco, Australian industry work opportunities that are most likely to arise include recruitment services specialising in Science, Technology, Engineering and Mathematics (STEM) and Culturally and Linguistically Diverse (CALD) candidates.

It is expected that this work will be carried out across Australia.
